

Arqus support to research actions and/or joint pedagogical projects

Within the framework of the Arqus Alliance, support is available for all types of research collaborations or exploration for the setting of joint pedagogical projects (course developments, joint degrees, innovative pedagogical initiatives etc.).

The following can be financed

- The hosting in Lyon 1 of staff linked to the research or pedagogical project, from one or more Arqus partner universities;
- Stays of personnel affiliated to Lyon 1 (employees of Lyon 1 or affiliated to a laboratory under the main supervision of Lyon 1) in one or more Arqus partner universities;
- Costs related to the research or pedagogical project (consumables, small equipment, etc.).

FUNDING

- Allocated envelope of 2k€ to 20k€;
- The funds will be paid to the Lyon 1 laboratory (research projects) or to the Lyon 1 training unit (double degree projects) of the project leader;
- ! Whatever their nature, **the activities or purchases must be completed by 30 June 2023!**

APPLICATION PROCEDURE

- Applications must be submitted by the Lyon 1 project leader through the application form, to be sent to romain.thinon@univ-lyon1.fr and to vpri@univ-lyon1.fr;
- Applications will be processed on a rolling basis.
